

Millennium Music**Local Music Teachers in & around Cheltenham**

This information is provided as a free service to customers of Millennium Music and to the local music teachers around Cheltenham. Please mention Millennium Music when contacting these teachers.

Thanks !

This listing is a FREE service provided by Millennium Music to help local music teachers advertise their service to people in the Cheltenham area.

We always recommend that potential users of this service talk to a number of potential teachers to ensure that the particular kind of tuition you are looking for is offered by the teacher. For example, if you are looking particularly for a teacher who can provide coaching in Advanced Jazz piano, it may not be best to select a teacher who specialises in just beginners ! We hope that you find this useful. We can't take responsibility for the quality of tuition provided by the teachers here. If you should contact any teacher and find that they are no longer looking for new pupils, please let us know so that we can update our list.
